SOLEMNITY OF CORPUS CHRISTI 2020 - 2021
CATHOLIC DIOCESE OF SPOKANE

Selection from Bishop Daly's Pastoral Letter 05-25:

The Real Presence and Eucharistic Devotion

The Mass is "the source and summit of the Christian's life."²⁶ From her beginning, the Church adored the Eucharistic Food she received as the Body and Blood of Christ. Over the centuries she developed Eucharistic devotions apart from the Sacrifice of the Mass.²⁷ The Middle Ages distinguished itself by an abundant display of Eucharistic piety. In that time, the Elevation of the Host and Chalice became common and the pealing of bells at the Consecration of the Mass became popular. Soon devotions outside of the Mass such as Benediction, Eucharistic processions, and this Solemnity of Corpus Christi itself were celebrated.

The Solemnity of Corpus Christi was first celebrated near Liège in 1246. Pope Urban IV declared it a universal celebration of the Church in 1264. Later Holy Hours, Forty Hours and Perpetual Adoration would be added to the Church's storehouse of Eucharistic treasures. There is a need in these times to renew our Eucharistic catechesis. Studies demonstrate that many Catholics misunderstand Holy Communion to be simply a symbol of the Body and Blood of Christ and not His Real Presence.

In a letter dated December 16, 1955 to a friend, the Catholic author, Flannery O'Connor, relates the story of a dinner party she had attended several years before. At the party was a woman who had been raised Catholic. This woman

fondly remembered receiving Communion as a child. Yet, that which she fondly received as a child, she now believed to be simply a beautiful symbol. O'Connor, sitting quietly the whole while, blurted out, "if it's only a symbol to hell with it."²⁸ Catholic theologians would no doubt have chosen different words, but O'Connor did state the Catholic position most plainly. The consecrated bread and wine are not simply symbols, they are the Body and Blood of Christ.

If God created the world *ex nihilo* [out of nothing] — which He did; if God became man — which He did; is He not able to change bread and wine into His Body and Blood?²⁹ The Church calls this change "transubstantiation." That is, the very substances of bread and wine are changed into the Body and Blood of Christ. While the substance is changed, the appearance remains that of bread and wine.

There is also a need of catechesis regarding reception of Communion. You may recall as an initial precaution regarding COVID-19, I instructed parishes to discontinue distribution from the common chalice. This caused some to feel they were deprived of receiving Christ whole and entire. Yet, if we tap into the memory of the Church, we discover her ancient teaching that in receiving either the consecrated bread or wine, the communicant receives Christ, whole and entire, His soul and His divinity.³⁰

May: Mary's Month!

The month of May is dedicated to The Blessed Virgin Mary. A good month to begin praying the Holy Rosary every day as a family if you don't already, or if the habit has fallen off!

At Fatima, Mary promised her special protection and greatest graces to those who have a devotion to the Holy Rosary by praying it daily.

She also said: "There is no problem, no matter how difficult it is, whether temporal or above all spiritual, in the personal life of each one of us, of our families... that cannot be solved by the Rosary. There is no problem, I tell you, no matter how difficult it is, that we cannot resolve by the prayer of the Holy Rosary."
