Nikolas T. Nikas is co-founder, president and general counsel of Bioethics Defense Fund (BDF), a public-interest organization that creates winning arguments for life to benefit lawmakers, courts, students and citizens across the United States and abroad. Nikas and BDF co-founder Dorinda C. Bordlee address bioethics issues including abortion, healthcare rights of conscience, human cloning/embryonic stem cell research, and end of life matters.

Nikas is known for clearly integrating the principles of natural law and political theory with the facts of science and medicine as the foundation for dynamic educational speaking events, and the development of model legislation and litigation strategies.

## Renovation Conference

### Meaningful Conversations Around Faith, Family, & Sexuality

Take a moment to think about the following questions:

Do you feel like you are thriving or merely surviving?

What would it look like to dream again?

Do you feel held back, like something's missing?

What could you do with a fresh perspective?

We all have questions that we long to answer, fortunately, Spokane also has an amazing network of resources.

Together, Life Services of Spokane, Genesis Institute, Spokane Fatherhood Initiative, SRT (Sexually Related Trauma Services), and HRC bring you the Renovation Conference, a safe space to have meaningful conversations about faith, family, and sexuality.
